

Sept 2011

Activation Assignment

Chemistry 11

Please complete this assignment prior to meeting with your instructor. Completion of an activation assignment is now required before students are officially enrolled in the course. The activation assignment will be included in your grading for the course.

If you have any questions about this activation assignment, please contact your instructor (info at bottom of page).

Assignment:

Read through the first section of the first Module on Introduction to Chemistry – available for Download on the Website – materials package – pages 11 through 34. Please do the Guided practice problems found throughout the section. The answers to the guided practice problems are found at the end of the materials package.

To be handed in: On page 35, you will find a Section Assignment 1.1. Please complete this and submit it when you meet with your instructor. Please call YouLearn.ca to arrange a time to meet with your instructor to formally start the course once you have completed the activation assignment.

Internet Resources : The internet is your best friend! There is so much information available on the internet for Chemistry 11, it is mind-boggling. If you get stuck, go watch a video on YouTube or perhaps a website. An amazing website that has some chemistry videos is www.khanacademy.org Be resourceful, you have an amazing wealth of study materials available to you!

Please email your instructor: youlearn.miles@gmail.com if you run into any problems with this assignment.
